Russell's American lecture tours:

addendum

As a result of the generous help of Lester E. Denonn, Ken Blackwell, Thomas L. Kinney and Michael Bradie of Bowling Green State University, Ohio, and David W. Kraeuter of Washington and Jefferson College, Washington, Pennsylvania, I am able to supply some additional information on Russell's lecture tours in 1924, 1927, 1929, 1931, and 1951. (See *Russell* 6, summer 1972, pp. 6-8.) As before, I cite the newspaper issue of a particular date which establishes his presence in a certain city.
