The edition of *Fact and Fiction* here indexed is that of George Allen and Unwin, published in London in 1961. Pagination differed for Simon and Schuster's edition (New York, 1962).

This index is the fourth in a series of indexes that began with Michael Radner's name index to *An Essay on the Foundations of Geometry* (1897) in *Russell*, no. 8 (1972), mine to *Human Society in Ethics and Politics* (1954) in n.s. 11 (1991), and the present indexer's full index to *Portraits from Memory* in n.s. 17 (1997).—Ed.
