The previous general update of acquisitions appeared in *Russell n.s.* 37 (winter 2017–18): 342–7. The new listing covers numbers 1,797 to 1,823 with the latest items arriving in November 2019. There are 54 entries in the correspondents list, totalling 121 letters. Copies of many items were received from other institutions and through the generosity of researchers, to whom McMaster Library is very grateful. The following abbreviations are used: L(s). or l(s). = letter(s); P(s). or p(s). = photocopies. Kenneth Blackwell, Hon. Russell Archivist, sourced the majority of the additions. “Roblat Papers” refers to the Joseph Rotblat Papers in the Churchill Archives Centre, Churchill College, Cambridge University, which kindly provided digital copies.
